

# PDS-GS1301T

## Picture

## Dimensions

**Features:**

- 13.3 inch, industrial monitor, Capacitive touch screen
- High-strength and elegant Al-alloy panel
- 1\*HDMI, 1\*DC-IN, 1\*USB2.0
- Color: Black

**Specifications:**

|                        |                       |                                          |
|------------------------|-----------------------|------------------------------------------|
| <b>Display Feature</b> | Display Screen        | 13.3" TFT LED                            |
|                        | Resolution            | 1920*1080                                |
|                        | Brightness            | 300 cd/m <sup>2</sup>                    |
|                        | Contrast              | 1000:1                                   |
|                        | Touch screen          | Capacitive touch screen                  |
| <b>Power Feature</b>   | Power supply          | 12V DC                                   |
|                        | Power consumption     | 8W(standby)                              |
| <b>I/OInterface</b>    | USB                   | 1*USB2.0                                 |
|                        | Display               | 1*HDMI                                   |
| <b>Environmental</b>   | Anti-vibration        | 5-19Hz/1.0mm amplitude; 19-200Hz/1.0g    |
|                        | Anti-shock            | 10g acceleration, 11ms duration          |
|                        | IP level              | Front panel IP65                         |
|                        | Reliability           | MTBF≥50000h; MTTR≤0.5h                   |
|                        | Operating Temperature | -10℃～60℃                                 |
|                        | Storage Temperature   | -20℃～70℃                                 |
|                        | Operating Humidity    | 95% @40℃,non-condensing                  |
| <b>Mechanical</b>      | Dimensions            |                                          |
|                        | Material              | High-strength and elegant Al-alloy panel |
|                        | weight                |                                          |
